The books are presented in full colour with images relating to the text. The format and layout make it easy for the child to navigate and digest the information.

Stimulating, fun and highly interactive student resources with differentiated activities to challenge each learner.

Tried and tested learning materials which reduce planning time as there is sufficient depth within the book allowing even non-Alims to teach the books confidently.

TESTIMONIALS

COMMENTS FROM MADRASAH TEACHERS

The books have been really easy to teach with the keywords highlighted giving the students a better understanding of key terminology. The activities provide an interactive platform for the students to consolidate their learning. MashaAllah, the work is outstanding. May Allah accept and reward everyone and make it beneficial for our future generations. - **Azhar Academy, London**

We have a short time to teach. The lessons are well laid out and make it easy for the teachers to teach. The activities are very good and the books are very colourful. It is mufeed. - **Bradford Madrasah**

COMMENTS FROM PARENTS

The activities are very good and related to the topic. The pictures and techniques of learning used helps my child to engage with the subject a lot more efficiently and effectively.

My daughter is more interested in her Madrasah learning compared to before.

My son takes a genuine interest in learning and absorbing the info. Informative. Educational. Colourful. Visual. Interactive.

COMMENTS FROM STUDENTS

All the books are really colourful and bright. It makes me read more and more. It's great! I tell my mum and dad about it. - **Student, Age 7**

This book is amazing because the way it's teaching us is just so helpful. - **Student, Age 6**

TESTIMONIALS

EXTERNAL REVIEWS

External reviews carried out by scholars in Aberdeen, Manchester and Leicester found **Islamiyah Series to be most child friendly, engaging, easy to teach and most in depth curriculum.**

ACADEMICS

An engaging, interactive Islamic book, specially written for children growing up in the UK. The lessons are designed in a child friendly, easy-to-use format and include many activities that provide opportunities for parents to also get involved in their child's deeni taalim. A very well structured series – a must have for all Islamic supplementary schools. - **Retired Primary Head Teacher, Education Consultant**

To say the truth, it's a marvellous piece of work. It does not require much change.
- **School Head Teacher, Blackburn**

The various features of the book are useful as they aid teaching and learning and organisation of the book. The use of illustrations, colour, text and background graphics is welcomed and should appeal to most learners.
- **Educational Consultant**
